**APPLICATION FOR PERMISSION LETTER TO OPERATE FOR  
SECTORS PERMITTED BY THE GOVERNMENT DURING  
THE MOVEMENT CONTROL ORDER (MCO)  
COMMENCING 1 TO 14 JUNE 2021**

In line with the implementation of the First Phase of this Movement Control Order (MCO), all permission letters to operate for sectors permitted by the Government previously issued by the Ministry of International Trade and Industry (MITI) is revoked effective 1 June 2021.

The NSC Special Session chaired by the YAB Prime Minister today decided that a one stop centre coordinated by MITI be created to issue permission letters to operate for the essential economic sectors after obtaining confirmation from ministries regulating the sectors concerned.

Accordingly, new applications for travel permission to work must be resubmitted through the COVID-19 Intelligent Management System (CIMS) 3.0 portal coordinated by MITI and involving all Ministries regulating the 17 essential service sectors which have been allowed to operate.

Thank you.
