RESOLUTION OF THE CIVIL SERVICE

Members of the Civil Service will continue to carry out the responsibilities entrusted to them as enshrined in the Federal Constitution and hold firm to the Civil Service oath to provide best services to the people and country.

The Civil Service is committed to upholding the concepts of neutrality and the 'government of the day' based on the rule of law. The Government machinery will always ensure, to the best of its ability, to implement all the policies currently in place to ensure the best service delivery to the people especially in this very challenging period.

In facing the current situation, I give assurance that the Civil Service, especially the frontliners, will always give their full commitment in ensuring the Government delivery system is not affected, based on current Government policies. Daily administrative affairs will continue to be led by the Secretary-Generals and Federal Agency Heads of Departments as usual. Security forces, particularly the Royal Malaysian Police (PDRM) and the Malaysian Armed Forces (ATM) are on standby to maintain peace and public order.

Every effort, assistance and initiative involving large allocations will not be affected for the sake of the benefit and welfare of the people, particularly the National Immunisation Program (PICK) which has become a powerful weapon in fighting this COVID-19 pandemic.

The Civil Service has sailed and navigated through many twists and turns in various conflicts and challenging situations. The sails must be in line with the changing winds, navigated efficiently in the direction of the intended destination. Regardless of any turbulence and storm encountered, we will continue in our efforts to carry out our responsibilities for the sake of our beloved country.
