PRESS RELEASE

**APPROVALS FOR COMPANIES ALLOWED TO OPERATE DURING THE MCO Phase 1 & 2
APPLICABLE TO THE MCO Phase 3**

The Ministry of International Trade & Industry (MITI) would like to inform that the approvals that has been given by MITI for companies to operate throughout the duration of the Movement Control Order (MCO) Phase 1 and 2 applies throughout MCO Phase 3.

However, MITI would like to encourage the companies that have received this approval, to make a new application if they want to get a letter of approval with a new format with QR codes for easier information checking of their companies, if required by the authority.

In addition, MITI also wishes to clarify that the application system configuration issues for companies operating during the Phase 3 of the MCO which is referred to as COVID-19 Intelligent Management System (CIMS) 2.0 is currently being refined and upgraded. This effort is being conducted with Cyber Security Malaysia and several ICT industry experts from the private sector.

MITI expects the application system to resume at 3.00 in the evening and MITI would like to apologize for any inconvenience this may have caused over the previous system configuration upgrade.

However, companies can still make applications and it is recommended to go directly to this link application.miti.gov.my, rather than to the address MITI website (www.miti.gov.my). Please note, company applications are not acceptable when the CIMS 2.0 system maintenance runs at 12:00 am to 6:00 am daily.
