Dear Sir/Madam,

56th Anniversary of Fulbright Malaysia Celebration Dinner 2019
– Saturday, December 7 2019

Greetings from the Fulbright Alumni Association of Malaysia (FAAM)!

We are pleased to forward an invitation to you for our inaugural dinner which will be held in conjunction with the 56th Anniversary of the Fulbright Program in Malaysia. It is a collaborative effort between FAAM and the Faculty of Music, Universiti Teknologi MARA (UiTM) to entertain dinner guests.

This gathering provides an avenue for the Malaysian-American community to build networking opportunities and for the local and American Fulbrighters to connect with each other in educational and cultural exchange, further strengthening international relations. In addition to the meeting of East & West in terms of culture, cuisine and friendship, it serves to celebrate with a gathering of all the Fulbright recipients from Malaysia.

On behalf of the Organizing Committee of the 56th Anniversary of Fulbright Malaysia Celebration Dinner, we would like to extend our invitation to your organization to participate in the sponsorship of our event and an opportunity to meet with the other esteem participants from the American community, Fulbright and local academicians, professionals from the government and corporate sectors. We extend our sincere appreciation to your organization's invaluable contribution and participation as one of the sponsors of the event. We look forward to meeting all of you.

Kindly complete and return the enclosed reply slip confirming the details of your participation so that we can include it in the dinner program no later than July 31, 2019. The event secretariat would liaise closely with you to confirm the guest list for the dinner.

Please do not hesitate to contact the organizing committee by email at catherine@uitm.edu.my or telephone 5544-4792/6016-3688926 for further information.

Once again, thank you very much for your kind consideration and we look forward to hearing from you and your participation in this event.

Yours sincerely,

Professor Dr Catherine S F Ho
