

# Intel Malaysia

## Q4 '22 CSR Newsletter

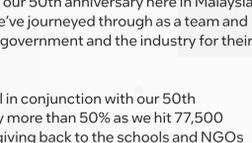

### FOREWORD

Dear Friends,

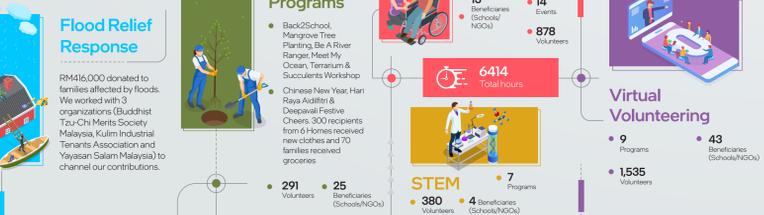

2022 had been a year for Intel Malaysia to rejoice as we celebrated our 50th anniversary here in Malaysia. The year-long festivity provided us a platform to reflect on what we've journeyed through as a team and how we've grown over the years. I wish to thank our partners in the government and the industry for their support and collaboration.

In early 2022, we set a target to hit the 50,000-volunteer hour goal in conjunction with our 50th anniversary. I'm thrilled to share that we had surpassed that goal by more than 50% as we hit 77,500 hours for 2022. I'm grateful to all our Intel Malaysia volunteers for giving back to the schools and NGOs directly as they volunteered, and indirectly when their hours are matched by Intel Foundation under the Volunteer Matching Program, enabling the underserved communities to improve their lives. Do take a look at the infographic below that showcases how Intel gave back to the communities and the nation in 2022.

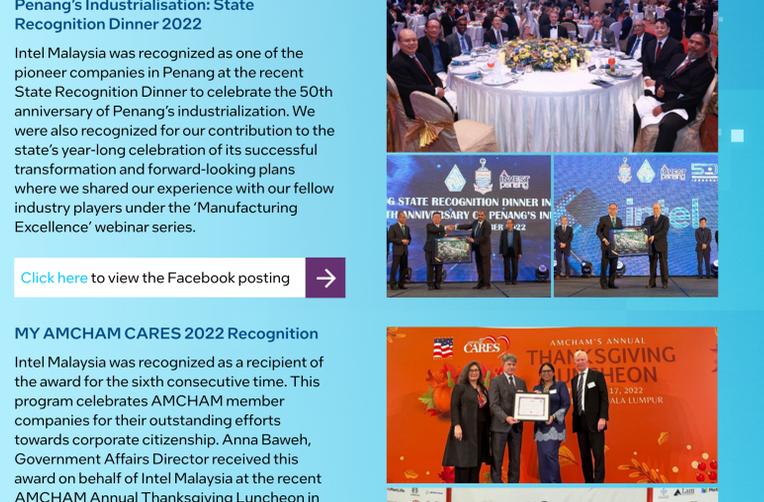

We look forward to continue working closely with you to make a positive impact to our community and country in 2023.

**Amran Mohd Dom**  
Director, Global Public Affairs,  
Intel Malaysia

Intel Malaysia's 50th anniversary in 2022 was a celebration of moments and memories! The 77,500 volunteer hours contributed by our 4,500 volunteers in 2022 will always be remembered - for the fond recollections created when our employees gave back to the local communities and for helping schools and NGOs thrive through Intel's volunteer matching grant.

### IN THE SPOTLIGHT

#### InvestPenang: 50th Anniversary of Penang's Industrialisation: State Recognition Dinner 2022

Intel Malaysia was recognized as one of the pioneer companies in Penang at the recent State Recognition Dinner to celebrate the 50th anniversary of Penang's industrialization. We were also recognized for our contribution to the state's year-long celebration of its successful transformation and forward-looking plans where we shared our experience with our fellow industry players under the 'Manufacturing Excellence' webinar series.

#### MY AMCHAM CARES 2022 Recognition

Intel Malaysia was recognized as a recipient of the award for the sixth consecutive time. This program celebrates AMCHAM member companies for their outstanding efforts towards corporate citizenship. Anna Baweh, Government Affairs Director received this award on behalf of Intel Malaysia at the recent AMCHAM Annual Thanksgiving Luncheon in Kuala Lumpur. We dedicate this award to all Intel Malaysia volunteers who had been giving back to our communities.

#### MICCI Annual Luncheon Dialogue 2022

At the Malaysian International Chamber of Commerce and Industry's (MICCI) Annual Luncheon Dialogue 2022 titled 'Sustaining Penang's Competitiveness', Intel Vice President, Data Center and AI Group and Engineering Site Manager, Programmable Solutions Group, Ruban K Kanagaratnam shared his thoughts as a panelist in a dialogue session with the Penang Chief Minister and other panelists representing tourism, services and education sectors. The panelists and guests exchanged ideas to elevate and sustain Penang's liveability, talent pool, infrastructure, and digitalization readiness.

#### Intel Malaysia employee with 'Most Worldwide Patent Grants'

Congratulations, Cheah Bok Eng for being awarded the Malaysia Book of Records (MBR) certificate as the Malaysian inventor with the 'Most Worldwide Patent Grants' (167 patents) from 13 countries. Cheah, a signal integrity engineer with Intel Malaysia, brimmed with pride as he received this accolade from MBR, witnessed by the Penang Chief Minister in KOMTAR, Penang recently.

### COMMUNITY ENGAGEMENT

#### Celebrating Our Top Volunteers in 2022

We surpassed our 50,000 volunteer hours goal this year by hitting 77,500 hours, thanks to our volunteers. With this in mind, Malaysia Public Affairs organized a special volunteering event at Asia Community Service (ACS), Balik Pulau (Penang) for our top volunteers and the 'Great Place To Work' team leads. ACS is an arts and crafts workshop and store, employing Penangites living with disabilities who may not be able to find adequate employment elsewhere.

It was a great day for our 62 volunteers as they did batik paintings, baked cookies, made soaps, and entertained the ACS residents by performing a magic show, songs and dances. Thank you ACS for hosting us, we're glad to share these moments with you.

#### A Double Celebration for Intel Malaysia, CPT

While Intel Malaysia marked its 50th birthday, Sekolah Kebangsaan Convent Pulau Tikus, Penang (CPT) celebrated its 100th anniversary in 2022. We're honored to mark this double milestone with our friends at CPT. 65 volunteers from the Supply Chain team and 156 CPT students participated in the 'Batik of Life' and 'Mosaic of Life' handicraft programs.

#### Plant Whisperers Sprinkling Their Magic

Sustainable living - in glass bottles, jars and cute planters. 55 Intel Malaysia volunteers (event was in collaboration with the Intel Malaysia Terrarium & Betta Fish Social Club) and 10 teachers from 5 Intel Volunteer Matching Program (VMP, adopted) schools in Penang participated in our 'Terrarium & Succulent Workshop' and had a wonderful time building their own mini ecosystem. The completed terrariums were then donated to the participating VMP schools. It was a calming and rejuvenating day, as we could see the big smiles on our participants' faces.

#### MeMO: An Ocean of Information

The Tunku Abdul Rahman Aquarium (AquaTAR) at Batu Maung, Penang provided an ocean of information and fun learning opportunities to a group of 25 primary school students and teachers (from 5 Intel VMP schools) at the 'Meet My Ocean (MeMO)' CSR program. A joint effort between the Department of Fisheries and Intel Malaysia, MeMO saw 51 Intel volunteers guiding the enthusiastic children in a series of engaging activities like the 'Decorate My Ocean', 'Aqua Hunt' and 'My Ocean, My Future'.

#### KuAT Employees Making a Strong Statement in Their Community

Malaysia Public Affairs partnered with Kulim Assembly & Test (KuAT) Manufacturing and organized a series of 'Great Place To Work' (GPTW) programs at Kamakshi Child Home, Rumah Anak Kulim, Pertubuhan Bela Didik Anak-anak Yatim Malaysia, and Pertubuhan Pembangunan Anak-anak Yatim Bekas Perajurit. We're delighted that 149 shift employees volunteered in those GPTW events, recording 820 volunteer hours.

#### A Warm, Engaging Day with UUM Students

Malaysia Public Affairs (SCM) partnered with Supply Chain Malaysia (SCM) on the Supply Chain Outreach Collaboration Program with Universiti Utara Malaysia (UUM). Themed 'Data Analytics in Semiconductor Industry: Case Studies', the event was conducted in person and also online consisting of a line-up of speakers from SCM. The half-day event also saw 20 SCM volunteers sharing tips and preparation for job interviews with 370 UUM final-year students in supply chain studies. 850 volunteer hours were recorded from this event.

#### Beach Clean Up

Malaysia Public Affairs partnered with MPE HVE for the Beach Clean Up program along the Queensbay Mall, Penang beach with close to 45 volunteers in attendance. It was a humid and overcast morning but that did not dampen our volunteers' spirit in helping to make a difference in our community.

#### Festival of Lights 2022

40 underserved families from Penang north-east district received goodies from Intel Malaysia and the Penang Welfare Department in conjunction with the Deepavali Festive Cheers initiative at the Caring Society Complex, Penang. Prior to this, Intel Malaysia also presented Punjabi shirts and dresses to 59 orphans from Kamakshi Child Home in Kulim, Kedah.

#### Young Entrepreneurs Making Their Mark

Our blossoming entrepreneurs had a field day at the fair as they brought to market the products they designed on their own. We are proud to be one of the key sponsors for the nine-month program as we encourage our youths to sharpen their business and manufacturing skills, to be creative in finding solutions and most importantly, to be brave.

#### Making and Sharing Memories

To commemorate the IM50 celebrations, Malaysia Public Affairs prepared 14 sets of photo collages, each capturing the One Community Day activities performed by our volunteers at the Intel Volunteer Matching Program schools and NGOs. We presented framed photo collages to the school and NGO representatives in Penang and Kulim to thank them for their support, and for giving us an opportunity to engage closer with them. We hope the photos would bring back many fond memories.
