### Support for TalentCorp's Revised Service Fees Effective 1 September 2024

Dear Members,

We wish to inform you that Myxpaths will be revising its fee structure, with the announcement scheduled for tomorrow, 1 August 2024, and the changes taking effect from 1 September 2024.

This fee adjustment is a result of TalentCorp's continuous efforts to enhance their services and provide additional value. Despite the increase, the revised fees remain competitive and lower than the market rates, ensuring that we continue to benefit from high-quality services at a reasonable cost.

Key updates include:

**Employment Pass (EP):** From RM 800.00 to RM 2,000.00

**Dependant Pass (DP):** From RM 450.00 to RM 500.00

**Professional Visit Pass (PVP):** From RM 800.00 to RM 1,200.00

**Residence Pass-Talent (RP-T):** From 2,388.00 to RM 5,000.00

SST 8% will apply to the rates. These adjustments come after a period of maintaining fees for the past three years, despite rising costs. The new fee structure has been benchmarked against both local and international standards and continues to offer exceptional value.

TalentCorp has consistently demonstrated their commitment to improving Malaysia's business environment and supporting our economic and investment objectives. Some notable achievements include:

- The launch of new Expatriate Services Centres at KLIA Terminals 1 and 2.
- Significant cost savings for businesses, with the ESC KLIA T1 alone saving an estimated RM 330 million.
- The introduction of an online payment gateway and platform system enhancements.
- Continuous review and study of global best practices to be adapted for Malaysian processes
